

**GIBSONBURG COMMUNITY CORPORATION  
RESOLUTION PROTESTING DAIRY FACTORY FARMS**

WHEREAS, The Gibsonburg Community Corporation has an interest in preserving and protecting the quality of life for the citizens of the Village of Gibsonburg, Ohio as well as the viability of the business climate for this community; and

WHEREAS, large dairy facilities proposed to be constructed in Sandusky County can place a tremendous demand on the water supply and pose numerous environmental hazards to the surrounding area; and

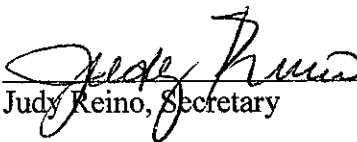

WHEREAS, the citizens of Gibsonburg, Ohio have expressed serious concerns about the negative impact these dairy operations will have on the quality of life in Sandusky County including odor, pollution of groundwater, pollution of waterways, excess consumption of water, damage to local roads, threats to family farm operations, and the negative impact on property values,

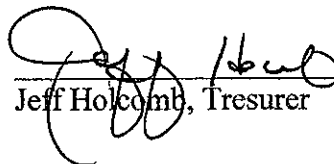

IT IS HEREBY RESOLVED, that these proposed mega-dairies or factory farms are not in the best interests of the residents of Gibsonburg, Ohio. It is also resolved that the potential for water pollution, air pollution, road damage, increased community expenses, and loss of tax base is not acceptable.

We respectfully request that the Department of Agriculture and all other departments involved consider the negative impact of the citing of mega-dairies in Sandusky County and also resolve to oppose them.

Adopted this 7th day of June, 2006
